

# Funeral Directors & Crematoriums Price List 2024

We believe that honouring the memory of a loved one is an important way of celebrating their life. Rest assured when ordering a personalised, engraved plaque through Brunel Engraving that we treat each plaque with the care and compassion it deserves. We aim to make the ordering process as simple and convenient as possible and our in-house design team will work to families precise specifications in a variety of materials, even offering the option to add a photo to a plaque to capture and preserve their memory.

Brunel Engraving is a pioneering engraving specialist. The company leads the way in technical innovation, creativity and expertise, and offers a wide range of engraving services.

Established for over 35 years, Brunel Engraving is one of the UK's most successful specialist engraving businesses with a highly skilled workforce trained to take on any challenge. Our continued investment in our people and technology puts us at the forefront of precision engraving.
